

# TREES IN WINTER IDENTIFICATION

**Wednesday 14th March, 10.30am-3pm  
Huntly**

Would you like to know how to identify our deciduous trees during winter? This **FREE** event will help you to identify different species by looking closely at their buds, twigs, bark and tree shape. It will be led by local botanist, Ian Green, and all of our time will be spent outside looking at trees in Huntly. Suitable for beginners and improvers. Any children must be accompanied by an adult and no dogs, thank you.

## **BOOKING IS ESSENTIAL**

To book a **FREE** place e-mail
